SEKOLAH PASCASARJANA

Sekolah Pascasarjana Perbanas (SPS) at Perbanas Institute was established in 1999. Its alumni are spread both domestically and internationally, in central and regional governments, the banking and finance sectors of state-owned enterprises, and the private sector. The learning system integrates theory with business practice, government, social, and environmental aspects. SPS offers three (3) study programs: Master of Management (MM), Master of Accounting (MAKSI), and Accounting Professional Education (PPAk).

VISION SEKOLAH PASCASARJANA

To become a leading graduate school in the fields of economics, finance, and banking, based on information and communication technology and innovation.
